PLHS Health Office Update:

A reminder to parents/guardians that if your student calls/texts to let you know that they are not feeling well, have your student get a pass to the Health Office. Health Office staff will conduct an assessment based on established exclusion guidelines. We aim to minimize the spread of communicable diseases and to keep healthy students in school. This proactive approach not only supports the recovery of the affected student but also helps protect the health of fellow students and staff members.

Per the PLHS Student and Family Handbook: Students leaving school because of illness must be excused by the Health Office after the Health Office has consulted with a parent/guardian.

Murder Mystery was a hit!

Congratulations to the PLHS Theater department on a fantastic murder mystery dinner show called, What Happens in Vegas Live On Stage!

Set in a Las Vegas casino lounge, the show began by entertaining guests with performances and mingling with the crowd while in character. Students then assumed the roles of suspects in a murder mystery, each with their own motives and alibis. This interactive improv show gave the audience members the opportunity to be a part of solving the murder mystery by questioning the suspects. The student actors did a phenomenal job with the improv by being able to think quickly on their feet in their interactions with the audience all while staying in character!

Compliments to [Rita Weaver Photo](#) for capturing these incredible photos.

2024 Athena Award:

Congratulations to PLHS senior, Annaliese Cundiff, on receiving the 2024 Athena Award!

Annaliese has participated on the PLHS Swim & Dive, and Track & Field teams for the past four years where she earned a Varsity letter in both sports in each one of those years. She has achieved 11 diving records and holds the Section 2AA diving record! She was also named captain of both teams during her senior year. Annaliese has been a Board Scholar for the past three years, and is also on the National Honors Society. Annaliese will be honored at the Athena Awards luncheon on May 3 where she will be presented with the award in recognition of her effort and dedication to athletics.
