Personal and Educational Goals: _____

Goal for current school year: To earn credits needed for graduation. I understand that I am expected to work towards a minimum of 18 credits this year. If I am behind in credits, I will need to work on additional credits in order to graduate with my academic peers. I know I will have reached this goal when the credits appear on my official transcript. This will serve as my assessment for reaching my academic goals.

Courses to be enrolled: See Student Credit Audit Sheet / Daily schedule / Infinite Campus or see back of this doc.

Participation in this program is optional. A completed CLP must be filed annually for each student, with the participation of the student, parent or guardian, teachers and counselors. Each participant must sign and date the plan as acknowledgement of the voluntary nature and focus of the program.
